

Parent and Family Engagement	<p style="text-align: center;"><b>2021-2022</b>  <b>Mi Escuela Montessori</b>  <b>School-Family-Student Compact for Learning</b></p> <p style="text-align: center;">Mi Escuela Montessori will strive to <b>BUILD RELATIONSHIPS</b> in order to create a real school-family partnership and engagement for <b>every</b> child, <b>every</b> family, <b>every</b> teacher, <b>every</b> day. This compact outlines how the parents/family, the entire school staff, and the students will share the responsibility to build and develop a partnership that will help our students' academic proficiency, self-regulation skills, cross cultural understandings, bilingualism, and biliteracy.</p>			
We will support learning in the following ways:	Staff Responsibilities	Parent/Family Responsibilities	Student Responsibilities	
Curriculum-High Academics	I will provide high quality dual language Montessori curriculum and instruction. I will engage students in daily standards-based instruction using research-based practices and strategies.	I will provide a suitable time and place for homework. I will read with my child 30 minutes each day. I will directly reinforce what the student is learning in school. I will encourage responsibility, integrity, persistence, respect, and homework completion.	I will be prepared to learn at school and home. I will attend every day ready to learn and will put forth my best effort. I will read independently in English and Spanish for a minimum of 30 minutes daily.	
Monitoring Student Progress	I will use data to guide instruction, developing robust lessons to match each standard with the delivery of instruction.	I will devote time each day to talk about school with my child.	I will set goals and strive to improve in my schoolwork.	
Partnership – Be Involved	I will provide families with opportunities to volunteer in the school community, and with activities that encourage reading and studying together. I will work to understand family goals and arrange presentations to help families build skills.	I will participate in teacher conferences. I will respond to requests for involvement, consider volunteering, and help in school decision making. I will exhibit positive relationships with others in the school community and enthusiasm towards learning.	I will accept responsibility for my own actions. I will exhibit positive relationships, cooperation, and good manners. I will show enthusiasm toward school.	
Communication – Stay Informed	I will inform students and parents of student progress and school-wide information. I will respond to family and student concerns in a timely manner.	I will be actively involved in my child's education. I will make inquiries of the teacher and my child to make sure my questions are answered.	I will be a problem solver. I will ask my parents and teachers questions that I have about my learning.	
Learning Environment	I will demonstrate professional behavior and a positive attitude. I will encourage students and parents to attend school and be on time. I will show enthusiasm toward school.	I will provide a suitable time and place for homework. I will set an example for learning at home by reading together while limiting television viewing and video games.	I will respect myself, the school, and others. I will be a dependable student in school and at home. I will exhibit positive relationships, cooperation, and good manners.	
Healthy Lifestyle	I will provide all students with healthy food options and frequent opportunities for physical movement within the school day. I will provide students with nutrition, fitness and health education, and will provide information to families on healthy routines.	I will limit unhealthy food choices in the home to special occasions. I will establish healthy sleep routines, routine family fitness activities, and family dinner together as much as possible.	I will find opportunities to be physically active outside of school hours. I will make healthy choices in eating and drinking. I will help to prepare healthy foods and snacks at home. I will go to bed at a reasonable time.	
Social Emotional Development	I will provide a model for how to communicate assertively, to express feelings, and to self-regulate. I will support students to develop the language to communicate feelings effectively, using conflict resolution, empathy, compassion, and respect. I will demonstrate empathy for students behaving poorly	I will be open to learning new skills. I will implement the practices of "Conscious Discipline" and conflict resolution at home. I will provide my children with loving firmness, limits, and opportunities for increased responsibility.	I will use kind words to speak with classmates, work to manage frustration, and support my classmates to create a helpful community. I will refrain from physical or verbal aggression.
